

# TRAFFIC MANAGEMENT PROCEDURES

## 1. Parking practices

- Parents/Guardians who drop off and collect their children by car should adhere to safe parking practices.
- Parents/Guardians **MUST** strictly observe the 40km/hr maximum speed limit on Boardwalk
- Blvd (and surrounding streets) and proceed with extra caution past the Maktab premises, as children may be crossing the road.
- **Parents/Guardians MUST NOT:**  
Park or stand their vehicle in front of driveways, so as to block or partially block the driveway.

Double park alongside vehicles correctly parked on road-side parking.

## 2. Care for amenity of the neighbourhood

- Parents/Guardians and students should arrive and leave quietly, to ensure the Maktab activities do not cause any disturbance to the neighbours.
- Students arriving early before commencement of Maktab must not engage themselves in activities outside and should proceed inside the Maktab premises without delay.

## 3. Picking-up procedure

- Students who are permitted by Parents/Guardians to walk or ride home will be dismissed at the conclusion of the Maktab at 8pm. These students are to proceed home without delay.
- Parents/Guardians picking up their child/children should park their vehicles (if driving) and are required to come to the Maktab premises to collect their child/children
